

Day#9

My best friend

Tell me a bit about your best friend?

My best friend's name is Jake, and we've known each other forever. We play basketball after school, and sometimes we just sit and talk. He helps me with homework, and I help him with his jump shots — it's a good deal.

Mi mejor amigo se llama Jake, y nos conocemos de toda la vida. 🏀

Jugamos básquet después de la escuela, y a veces solo nos sentamos a platicar. Él me ayuda con la tarea, y yo le ayudo con sus tiros de básquet — es un buen trato.
